

ST. ELIZABETH SETON

Catholic Elementary/Junior High School

We began the school year inspired by our theme for the year ***“Live as children of light for the fruit of the light is found in all that is good and right and true”*** guided by the scripture of Ephesians.

As a school community, we were witness to our students shining their light in so many wonderful things including athletics, concerts, field trips, parent council meetings, our grade 6 camping trip and farewell activities. Thinking about all these events is a wonderful way to move into summer and enjoy long sunny days and slow down and enjoy many moments with our families.

As the year draws to a close, we want to wish our grade 9 students all the best as they move onto the next stage of their educational journey. May God bless all of you as you begin high school and move into a stage in your lives that will bring so many changes. You have all made a positive impact on this school and left an imprint on its amazing legacy.

We also want to wish a few staff members well as they move on to a new journey in the fall. Mr. Belter, Ms. Gullberg, Mr. Sieben, Mrs. Tabachniuk and Ms. Vinnick, thank you for your service to the community of St. Elizabeth Seton and good luck in your new roles at your new schools. We wish Mrs. Wowczak and Mrs. Zygmunt well as they begin their maternity leave for the next year. We also want to congratulate Mrs. Molyneux as she assumes the role of Principal at Annunciation Elementary School. A huge congratulations to Mr. Turlione who will begin his retirement this summer. We wish him all the best as he enjoys his new journey! Thank you so much for your leadership, your kindness, and your compassion during this past year. Our school community has been blessed by your presence.

As we enter the final month of the school year, we reflect on the successes that this past school year has brought. The growth for both staff and students as we partnered within and outside of the school to collaborate towards continued growth and learning is always something to be celebrated. One of the most important and essential elements of a great school is the partnership between the school, parish and parents who work together for the best interests of children. As educators, we

recognize the important contributions parents make toward a child's success in school. The collaboration between home and school is one of the exceptional strengths at St. Elizabeth Seton.

I wanted to thank the St. Elizabeth School community for welcoming me with open arms three years ago as the principal. Every day has been a true blessing leading this community. I will miss all of you as I embark on my own new journey in the fall. My wish for all of you is a happy and relaxing summer!

Sincerely,
Nicole Falcone-Dempsey
