

ST. ELIZABETH SETON

Catholic Elementary/Junior High School

Throughout the month of May, we celebrate Mary, the Mother of God, our model of perfect discipleship, who guides and inspires us by her example of how to love Jesus and care for one another. On Sunday, May 12th, we also celebrate Mother's Day, a day to express our deep personal gratitude to our mothers and mother figures in our lives. We are truly grateful to all mother figures in our lives who bring love, joy, happiness and caring into the world.

As we move into the final two months of the school year, we know that this last stretch will move quickly and be very busy. Please read all emails and keep all calendars so that you are aware of all the things happening especially with final exams for our grade 6 to 9 students. As the warm weather approaches, we recognize that it is often difficult for children to stay focused on their studies. Staff also recognizes the important contributions parents and guardians make toward a child's success at school. One of the most important components of student success is the partnership between the school and the home who work together in the best interest of children.

We are extremely excited to welcome parents back into the school for our grade 6 to 9 spring concert on Thursday May 30th. Please see your email for important information regarding this evening as we will need to limit each family to two tickets each as our gym capacity cannot be exceeded.

We give thanks for all our blessings and pray that Mary, our heavenly patron, will continue to assist us as we strive to fulfill our mission to the students and parents that we serve.

May God's blessing be on each of you during this special month.

Sincerely,

Nicole Falcone-Dempsey
Principal
