

ST. ELIZABETH SETON

Catholic Elementary/Junior High School

November invites us to celebrate Catholic Education in Alberta is celebrated on Sunday, November 5, 2023. November is also a time to honor all those who have given their life to military service so that we may live in a democratic society free to share our opinions and values openly and safely with one another. To commemorate the fallen, the students and staff of St. Elizabeth Seton will be paying our respects during our Remembrance Day ceremony on November 8th. For this celebration we will have our junior high students in the gym with our elementary students watching from their classrooms. We also invite any students who wish to wear their cadet uniform to school to be a part of our ceremony.

Our Demonstration of Learning takes place on November 30, 2023, from 2:30-6:30pm. Elementary families will go directly to their child's homeroom while junior high families will go to the gym where all teachers will be conducting their conferences. We use an online booking system for parents to book their preferred timeslot. Our goal is to give your child the opportunity to demonstrate their learning but also for parents to receive information about their child's progress. All parents must book a time slot for each teacher they want to see. This is not a drop in evening. For more details on the booking system and time frames available please watch Swift Email communications, where you will receive a booking link to register for your time slot(s).

As done in the past, we are thrilled to be able to host The Scholastic Book Fair during our Demo afternoon and evening in-person. Students will be invited to preview the books on Wednesday November 22nd. Payments can be made with cash, debit, or credit card. Any monies raised will be used to purchase new books that will go directly into our classrooms and library. Please visit the small gym on demo night and help support the love of reading at Seton. An email with a link to order online will be sent out in the next week.

Remembrance Day falls on Friday November 11th. **There is no school for students on this day as well as Monday Nov. 13th & and Tuesday, Nov. 14th as part of our Division's November break.** We encourage all our families to take time with their children to go out to the various Remembrance Day ceremonies throughout the city

and surrounding areas to pay their respects to those who have served past and present and to those who have lost their lives in service.

We invite all parents to our next School Council meeting on November 20th at 6:00pm in our learning commons. We look forward to seeing you later in the month as you celebrate your children's learning and development during this first term!
